

Linea Group & Consilia Partners Merge

News Release

Linea Group announces a merger with Consilia Partners.

Consilia is a firm of senior executives focused on supporting key stakeholders and management teams to significantly enhance the value of their businesses.

They work side by side in order to deliver accelerated results that significantly enhance a business's financial performance and value, they do this in a number of ways:

- undertaking line management executive roles, assuming management responsibility.
- in an advisory role to provide robust, honest, independent advice.
- adopting a consultancy approach to support already capable management teams.
- assuming Non-Executive roles.

Consilia operates in the following key sectors;

- Business/Support Services

- Consumer/Retail
- Food & FMCG
- Logistics & Distribution
- Industrial

It operates internationally across three key regions;

- Europe (UK centric)
- Middle East & North Africa (MENA)
- Emerging Markets

It is envisaged that the merger will enable Linea to develop complementary services, within the venture capital space, whilst building on its existing turnaround, transformation and performance improvement capabilities and expanding on its international capacity.

Consilia's core capabilities, expertise and management team will be aligned with Linea's. The combined service portfolio will be delivered through the Linea brand.

Ian Chambers (CEO, Linea Group) said, 'This is a fantastic development which will enable UK and International clients to benefit from a broader range of capabilities and senior management expertise'.
